Taksim 360 Project

Taksim 360 is considered the best architectural project in Istanbul due to its prime location and has been awarded the “Best Urban Renewal Project in Europe”, presented in London.

The Taksim area, where the project is located, is one of the most significant historical and touristic regions in the world, attracting millions of tourists annually.

Location:

- Situated in Istanbul city center, specifically in Taksim.
- The project is 100 meters from Istiklal Street.
- 300 meters from Taksim Square.
- 10 minutes from Galataport.
- 200 meters from Taksim Metro.

The Taksim 360 Project is built on a 20,000 square meter plot of land and consists of 551 residential units, with options ranging from 1+1 to 4+1 in various sizes to meet your preferences.
